

# Planets in Transit: Life Cycles for Living

*By Robert Hand*

This book covers complete delineations of all the major transits - conjunction, sextile, square, trine and opposition - that occur between transiting Sun, Moon and all planets to each planet in the natal chart and the Ascendant and Midheaven, as well as complete delineations of each planet transiting each house of the natal chart. These 720 lucid delineations are full of insight for both the professional astrologer and the beginner.
