

A Grammar Book for You and I...Oops, Me!

By C. Edward Good

From the rear cover of this 429 page book: "Correct English usage as it has never been taught before: lucidly, memorable, and humorously. This inviting book introduces readers anew to the eight parts of speech and common grammatical problems (such as the case of pronouns depicted in the title), the tension between nouns and verbs, the controversy of the active versus passive voice, and the power of a verb-based style."
