

# Systems Analysis and Design

By Alan Dennis, Barbara Haley Wixom, Roberta M. Roth

The 6th Edition of *Systems Analysis and Design* continues to offer a hands-on approach to SAD while focusing on the core set of skills that all analysts must possess. Building on their experience as professional systems analysts and award-winning teachers, authors Dennis, Wixom, and Roth capture the experience of developing and analyzing systems in a way that students can understand and apply.

With *Systems Analysis and Design*, 6th Edition, students will leave the course with experience that is a rich foundation for further work as a systems analyst.
