

Drink of Me

By Jacquelyn Frank

In a world where emotion can be a deadly weapon, one slight, battered runaway holds the key to a dark and twisted enigma. . .

Drink of me, she whispers, her silver eyes trusting, pleading. What female dares speak such words to one of the Sángo? His people are scorned by every race for their fierce sensuality, their fearful rituals. And as Prime, Reule is the most telepathically gifted of them all.

But nothing has prepared him for the intensity of emotion radiating from the outlander rescued by his Pack. Terrified, tormented, but beautiful beyond measure, Mystique shatters his legendary control. As she reaches for him in the steamy heat of the healing baths, he knows this blind need can have but one end. . .

In blood, in knowledge, in ecstasy.

Praise for the Novels of Jacquelyn Frank

"A lush narrative sure to please readers who have longed for new gothic and darkly romantic tales."
--*Booklist on Gideon*

"Frank's *NIGHTWALKER* series depicts an engrossing alternate world, drawn in prose that is lush and lyrical." --Linda Howard

From Publishers Weekly

Romance fans will need a taste for the dramatic to enjoy the latest stand-alone paranormal from bestseller Frank (*Stealing Kathryn*). Reule is the Prime of the Sánge, a fanged and clawed tribe of telepathic warriors. While recovering a packmate who was kidnapped and tortured by enemy Jakals, he senses a woman nearby. Carrying her out of hiding, he is confounded: he doesn't recognize her race, she has been beaten and battered, and she has amnesia. He offers sanctuary and names her Mystique, and before long they discover she's an empathic healer with psychic powers. After the Jakals attack and kidnap another pack member, two of the Sánge are injured, and Mystique can save only one, causing a dangerous rift that threatens Reule's ambition to make Mystique his Prima. Plenty of melodramatic prose, unabashed sex, consistently intriguing characters, and strong world-building will satisfy Frank's fans. (Nov.) (c)
