- 124 pages

editorial:

About the Author

Mark Twain began his career in letters as a printer's apprentice at the age of 12. He worked as a typesetter and hack writer until a trip down the Mississippi inspired him to become a steamboat pilot. Twain was a popular humorist, a failed silver miner, an inventor, a pacifist anti-imperialist, and a vegetarian. He had a strong interest in the paranormal. Twain's novel Huckleberry Finn has profoundly influenced the development of American storytelling.
