

Dark Witch: Book One of The Cousins O'Dwyer Trilogy

By Nora Roberts

Growing up with indifferent parents, Iona Sheehan craved devotion and acceptance. From her grandmother, she learned where to find both: Ireland. Iona arrives in Ireland with nothing but optimism, her Nan's directions and an innate talent with horses. Not far from the castle where she's staying, she finds her cousins, Branna and Connor O'Dwyer. When Iona meets Boyle McGrath-cowboy, pirate, wild tribal horsemen, three of her biggest fantasy weaknesses-she realizes that she's found a home. But nothing is as it seems. An ancient evil has wound its way around her family tree and must be defeated....Bestselling author Nora Roberts introduces the Cousins O'Dwyer trilogy in Dark Witch, a supernatural saga about the power of the land we love.
