

Al-Mawrid Junior Illustrated Dictionary English-English-Arabic

By Dr. Rohi Baalbaki

This is an advanced dictionary specialized for those learning the English language. The dictionary gives a precise explanation for the most essential words in the English and Arabic languages. It can be used for teaching in schools and colleges, or can be used as a reference in homes and offices.

The Dictionary includes more than 4,000 entries of the most important words and terms, where all entries are explained comprehensively and colorfully.

The dictionary presents modern, up-to-date definitions. It also provides useful examples that illustrate how the words are used. It has a pronunciation guide which clearly shows how English words are pronounced. It gives parts of speech, plurals, derivations and uses of the words. The dictionary has synonyms and antonyms, and many colored pictures to illustrate the meaning of each word.
