Clay Jensen returns home from school to find a strange package with his name on it lying on his porch. Inside he discovers several cassette tapes recorded by Hannah Baker—his classmate and crush—who committed suicide two weeks earlier. Hannah's voice tells him that there are thirteen reasons why she decided to end her life. Clay is one of them. If he listens, he'll find out why.

Clay spends the night crisscrossing his town with Hannah as his guide. He becomes a firsthand witness to Hannah's pain, and as he follows Hannah's recorded words throughout his town, what he discovers changes his life forever.

When Clay Jenson plays the cassette tapes he received in a mysterious package, he's surprised to hear the voice of dead classmate Hannah Baker. He's one of 13 people who receive Hannah's story, which details the circumstances that led to her suicide. Clay spends the rest of the day and long into the night listening to Hannah's voice and going to the locations she wants him to visit. The text alternates, sometimes quickly, between Hannah's voice (italicized) and Clay's thoughts as he listens to her words, which illuminate betrayals and secrets that demonstrate the consequences of even small actions. Hannah, herself, is not free from guilt, her own inaction having played a part in an accidental auto death and a rape. The message about how we treat one another, although sometimes heavy, makes for compelling reading. Give this to fans of Gail Giles psychological thrillers. Dobrez, Cindy

"*Thirteen Reasons Why* is a mystery, eulogy, and ceremony. Twenty or thirty times, I snapped the book shut when a sentence, an image, or a line of dialogue was too beautiful and painful. But I, afraid and curious, would always return to this amazing book. I know, in years to come, I will often return to this book."

"A spectacular first novel. Jay Asher tells his story with such honesty and simplicity that the tragedy feels shatteringly real." —**Gordon Korman, author of *Son of the Mob* and *Jake, Reinvented***
