

# Rock 'n' Roll Love Stories: True tales of the passion and drama behind the stage acts (Love Stories Series)

*By Gill Paul*

The music world has seen some of the most iconic partnerships of all time: Sonny and Cher, Mick and Marianne, Elvis and Priscilla, Ike and Tina.... Rock 'n' Roll Love Stories looks at 14 of the best, taking us from the 1950s all the way up to the early 2000s. Along the way we see behind the public face of a whole range of relationships, from the straightforwardly romantic to the messily divided, and from the famous (and infamous) to those that were played out below the radar of public opinion.

Engaging, vibrant, and full of detail, Rock 'n' Roll Love Stories comes imbued with the energy and spirit of the music world over the last half century.
