Following the Grand Tour of Switzerland

Whether you're by yourself or in a group, travelling by car or by motorbike, say goodbye to stress and daily routine and spend 3, 6 or as many as 14 days cruising through Switzerland as you follow the Grand Tour of Switzerland. This tour is a journey of discovery that combines Switzerland's highlights. On this tour, the journey is the destination.

Over the course of 3,100 kilometres - parallel to the main route all the while - this virtual tour guide will take you along deserted back roads through the most beautiful parts of Switzerland. It's your decision whether you'd solely like to take the main route, whether prefer you'd follow the countless variations, points of interest and special routes, or whether you'd like to do a combination of everything. From time to time you'll be able to decide whether you fancy spending a bit more time here and there.
